Prices are inclusive of VAT

WOOD FINISHES

Ash Frames available in: Natural Oak, Mid Oak, Golden, Autumn, Antique

Beech Frames available in: Natural Oak, Mid Oak, Golden, Autumn, Antique

Oak Frames available in: Natural only

Each piece of timber used to make the solid show-wood frame of your furniture is unique in its graining. Being a natural product, the wood finish used will be absorbed differently on each piece of timber. Consequently, there will be shade variations and an exact match cannot be guaranteed.

DELIVERIES

Please note, there is a surcharge of 5% for deliveries outside the UK Mainland. A delivery charge is applicable to sundry orders unless delivered with furniture.

FLAME RESISTANCE

This price list refers to furniture which complies with the legislated requirements after 1st March 1990, as laid down in Furnishings (fire) (safety) Regulations 1988.

HEALTH & SAFETY INFORMATION

Any chair with moving parts such as recliners and riser recliners should be used with caution.

Children and animals should be kept away from moving parts in the mechanism. Always warn visitors with children about the dangers of them playing on or around the chair. Electrical supply to motorised models should be inspected frequently to ensure the cables are not trapped or frayed or kept in tension. Always remove the electrical plug when not in use. In the event of motors not functioning, do not attempt to open the motor. Do not sit on footrests or backs of chairs.

FABRIC TREATMENTS

If your furniture has received a fabric protection treatment supplied by a third party. As manufacturers we cannot accept liability for any issues that may occur and therefore any fabric protection problem must be referred to the agent who supplied the application.

COVERS - COLOUR VARIATION

Owing to variations in colour dyes we cannot guarantee an exact colour match unless all the chairs are ordered at the same time. We do all in our power to minimise variations in shade.
